PLATFORM / PLATE-FORME / PLATAFORMA

I intend to stand for office as Vice-President because I want to bring at professional level the results of the Horizon 2020 research "**CLIC – Circular models Leveraging Investments in Cultural heritage adaptive reuse**" that I am conducting as scientific coordinator.

From 1978 to today I have an active role in the ICOMOS, holding important roles first as National Councilor of ISCEC Italy (International Scientific Committee on the Economics of Conservation) (in

two times, from 2000 to 2006 and from 2010 to 2019) and then as President of ISCEC Italy (International Scientific Committee on the Economics of Conservation) (from 1979 to today). From 2016 to today I'm Deputy Vice President of ICOMOS Italy. I was also promoter of ICOMOS recognition in UN-Habitat World Urban Campaign, also through many international conferences, seminars and events organized during the time.

In addition, I confirm that I will serve in that office and attend Board and Bureau meetings if elected, and if not elected to the Bureau I will still serve as a Board member and attend Board meetings.
